Executive Search, Headhunting and Recruiting of Performers, Achievers and Talents, especially in Sales and Engineering.

Legal:

HSH+S GmbH, Commercial Register LU HRB 1759

Founded:

15. November 1994

Managing Director:

Alexander R. Reiter

Consulting Divisions:

1. Recruitment:

Executive Search and Headhunting, Profiling of Managers and Experts

2. Strategy:

Marketing and/or Sales Strategies to ensure a market-oriented management

Philosophy:

An expansion without knowing the risks and conditions can cause bad investments. The strategic development of new markets and the consequent search and support of talents attract growth which itself has to be adjusted systematically.

Besides a market-oriented focus of the company, qualified, motivated and reliable employees are the decisive factors of success. Therefore one of the most important management tasks is to develop high performers.

Adequate talents have to be found and positioned according to their qualifications and have to be developed and motivated consistently. That is where we can and want to support you.

Areas of Expertise:

1. Personnel

- Executive Search
- Headhunting/Direct Search
- Qualified Search
- Aptitude Appraisals & Assessments
- Coaching
- Human Resource Marketing

2. Marketing

- Market Potential Analysis (Market/Sales Development)
- Market Entry Strategy
- Optimization of Sales and Distribution
- Communication (Advertising, Corporate, Press)
